The 'Five Nights of Family Fun' package comes from the Marina Inn at Grande Dunes - one of the most elegant resorts in the Myrtle Beach area of South Carolina - a member of the Small Luxury Hotels group ([www.slh.com](http://www.slh.com)) and awarded with 4-Diamonds from AAA.

A package rate of \$999 includes accommodations for five nights, a half-day boat rental of a 22-foot Fun Deck boat (an easy-to-maneuver boat which is a cross between a deck boat and a pontoon boat), full breakfast for the family at the resort's Waterscapes Restaurant and four tickets to one of the southeast's most exciting amusement parks for boomers and their kids — The Hard Rock Park

([www.hardrockpark.com](http://www.hardrockpark.com)).

Accommodations are based on a stay in a Grande Guestroom, sized at over 450-sq.ft. with a terrace overlooking the Intra-Coastal waterway or the inn's 129-slip marina. Beds are dressed in the finest linen and rooms are decorated in earth tones with features such as a DVD player, in-room safe, robes, complimentary wireless internet access and separate showers.

In addition to the package activities, guests here can enjoy the use of indoor and outdoor pools, Jacuzzis, bicycles, family games on the Grande Lawn, award-winning golf and tennis, and a private beach with complementary chairs, towels, and umbrellas. The inn has four onsite restaurants - including oceanfront dining. Additionally, transportation to all amenities within the 2,200-acre resort are also provided.
